

AWB Safety Academy

September 2011 – December 2011

Association
of Washington
Business

Washington State's Chamber of Commerce

AWB has partnered with Sedgwick CMS to offer courses for safety and non-safety professionals who wish to increase their safety knowledge and effectiveness in developing and administering safety programs within their companies. Classes will be offered in Spokane, Moses Lake, Seattle and Olympia.

You may choose to participate in individual courses, or you may choose the "Certified Safety Coordinator" program. Students take seven required courses and five electives. Upon completion, the candidate will receive a "Certified Safety Coordinator" certificate. For course description, please go to www.awb.org.
