Award Categories

- Green Manufacturing Award** — Given to a business that has maximized energy efficiency levels, gone above and beyond regulatory requirements, minimized waste from the production process and reduced its carbon footprint.
- Operational Excellence Award** — Recognizing a company that has a distinctive manufacturing process, including continuous improvement, innovations, lean and six sigma and/or application of high technology.
- Innovation Award** — Recognizing a company that has maintained a competitive advantage by utilizing innovation while remaining responsive to market demands.
- Manufacturer of the Year Award** — This premier award recognizes a company that has a commitment to business excellence, has found creative solutions to challenges that raise or enhance the industry standard, as well as involvement in state and/or local public policy issues that affect manufacturers. ***One award winner in this category**

*Awards will be presented at the 2018
Evening of Excellence event Nov. 28*

Submission Guidelines

Please submit your completed application form and no more than six single-sided pages in either PDF, Word, PowerPoint, or Excel format via electronic submittal. All AWB members are eligible — judges will determine winners based on the content and the quality of the application materials.

Deadline: June 30, 2018
