

Thank you for participating in the AWB - Local Chamber Grassroots Alliance. As part of our collaborative efforts, chamber partners are asked to provide the names of three local advocate chamber members that can speak before the Legislature, media or other audiences on key issues identified. We would also like to your help in identifying a few business leaders within your chamber that have strong relationships with state lawmakers - a key contact when critical issues need their attention. Please fill out this form and email to BobbiC@awb.org or bring it to the June 15, 2016 Grassroots Alliance meeting at The Historic Davenport Hotel in Spokane.
