

Local Business Tax and Licensing Simplification Task Force Charter

Background HB 2959, enacted by the Legislature in the 2016 legislative session, directs the state, cities, towns, and identified business associations to partner in developing options for centralized and simplified administration of local business and occupation taxes and business licensing.

Purpose The task force will prepare a report to the legislature by January 1, 2017. The report must contain:

- Options to coordinate administration of local business and occupation taxes
- Options for centralized administration of local business and occupation taxes for those cities and towns that desire to participate in a state-provided alternative
- Options for all cities and towns to partner with the state business licensing service
- A method to share data and establish a seamless state and local user interface for those cities and towns participating in FileLocal
- Additional or alternative options to improve administration of local business tax and licensing
- An examination of the differences in apportionment and nexus between the state and local business and occupation taxes
- An examination of how the differences in apportionment and nexus affect taxpayers and cities

Goal

- Report must be adopted and approved by a majority of the members of the task force
- Minority report may be generated for each topic discussed

Objective To develop a report for the legislature that includes local B&O tax and licensing administration options that provides the greatest benefit to taxpayers.
